Sri Veerabhadraiah requesting grant of land from the Mallathahally State Farm but does not refer to any particular S.No even though it may be presumed that he refers to the area already released. Since the area already released is with the RD we cannot recommend to the RD the individual case of Sri Veerabhadraiah. The area now available with the Farm Dept is a small bit of land comprising of 3A and 19 and it will not be advisable to retain it with the Farm Dept. There may be no objection to release in favour of the RD for final disposal. But it will have to be considered if the claim for this area from Sri Subba Rao, Sri Reddi and Sri Hanumanna should be considered along with that of the first applicant Sri Veerabhadraiah or we should consider the area to the RD for disposal according to Rules. Sri Veerabhadraiah has already been requested to approach the RD with the C.P.S. and letter. (P 5/c)

Sir,

Re. grant of land to the political sufferers in the Government lands:

I beg to bring the following few words for your kind consideration and favourable orders:

1. That I amnative of Sugganahalli in Ramanagaram Taluk, Bangalore District. I am a Congress worker since 1937. I suffered a lot during independence movement and sacrificed much for the cause of FREEDOM. I was imprisoned in the year 1947, due to "DISOBEDIENCE MOVEMENT".

2. That I'am a poor man having eight children and they are very young. I have left with nothing to educate them, and I have been hard-hit even to my absolute necessity of clothing, food and shelter. I have no lands nor any other property to protect my family and to educate my children.

3. I learnt that the Forest lands in Mallathahally Forest, Yeshavantapur Hobli, Bangalore North Taluk is not at all utilised by the Forest Department. Opinion may kindly be called for in this regard from the Chief Conservator of Forests in Mysore ~~and the~~

THE MINISTER FOR AGRICULTURE No. A-1232 24 DEC 1958 BANGALORE

and the lands in Survey No.77 of the said forest may kindly be granted after duly considering the opinion of the Forest Authorities.

4. The entire said Forest has been converted into Revenue lands and the land has been distributed to many persons and Survey No.77 is alone pending. The same land may kindly be --- granted in my favour as I am very poor and as I can not maintain my family and children in these days.

WHEREFORE, I humbly pray that you will be kindly enough to grant the said lands in my favour as early as possible.

Expecting your favourable orders and Thanking you for the same.

Yours faithfully,

In connection with a correspondence with the Revenue Commis-sioner in Mysore, Bangalore, it was suggested in this office letter No. M2. 14-239/51 dated 15-12-1954 a copy of which is herein enclosed for favour of ready reference that Sri N. Subba Rao an Ex-serviceman may be granted 4 acres of dry land in Mallathahally plantation under Military concession rules after obtaining orders of Govt. The area prayed for by Sri N. Sir,

Sub:-Grant of land at Mallathahalli Forest.

Ref:-Your letter No.AFD 309 DST 57 dated 6th Sept. 57.

I write to state that the total extent of Mallathahalli plantation is 295 acres 21 guntas, out of which an area of 235 acres have already been disforested. The balance area of the plantation is 60 acres 21 guntas as detailed below:-

S.No.77 of Mallathally	14	34
S.No.42 "	3	19
S.No.26 of Nagadevanahalli	42	8
Total	60	21

Out of this, 3 acres and 19 guntas of S.No.42 of the plantation have been already recommended for disforestation. The balance areas of 14 acres 34 guntas in S.No.77 and 42 acres and 8 guntas in S.No.26 are fit for raising plantations and are required for afforestation work. In this connection I invite your kind reference to this office letter No.M2-14-239/51 dated 13th October 1955 (copy enclosed).

In the above circumstances I recommend rejection of the application.

Yours faithfully,

(K.KADAMBI)

Ref(i) Memo No.AF 1902/L.A. dated 6-6-1955
(ii) Letter No.A.F.2685/L.A. dated 22-6-55 and
(iii) letter No.A.F.2756/L.A. dated 27-6-55.

I write to state that on a further verification with the village maps and relevent revenue records the D.F.O. Bangalore District has reported that only 60 acres and 21 guntas of the above plantation are remaining under the control of the Forest Department as detailed below:

	A	G
S.No.77 of Mallathahalli	14	34
S.No.42 "	3	19
S.No.26 of Nagadevanahally	42	8
Total	60	21

In connectinn with a correspondence with the Revenue Commissioner in Mysore, Bangalore it was suggested in this office letter No.M2-14-239/51 dated 15-12-54 - a copy of which is herein enclosed for favour of ready reference - that Sri N.Subba Rao an Ex-service man may be granted 4 acres of dry land in Mallathahally plantation under Military concession rules after obtaining orders of Govt. The area prayed for by Sri N.Subba Rao is reported to have been included in S.No.42 of Mallathahally ~~xxxxxxxx~~ where only 3 acres and 19 guntas are available. The grant of land to this Ex-service man is still remaining unsettled. For the same area, Sriyuths C.N.Reddi and R.Hariharan referred to in your memo No.A.F 1902 L.A. dated 6-6-55 and letter No.A.F.2685/L.A. dated 22-6-55 respectively ~~xxxx~~ have also applied and I have no objection to grant this small bit of 3 acres and 19 guntas to any of these three applicants.

Regarding the point referred to in your letter No.A.F.2756/L.A. dated 27-6-55 it is to be stated that an extent of 42 acres 8 gunts in S.No.26 of Nagadevnahalli is still available but it is not desirable to release this area to the Revenue Department as it is reported to be fit for raising plantations.

The two petitions of Sriyuths C.N Reddi and R.Hariharan referred to in para 1 above and the sketch of the above plantations are herein enclosed.

Encls.

Date 10 Oct. 1958

To

The Secretary to Government,
Agriculture and Forest Departments,
Bangalore.

Sir,

Sub: Grant of land at Mallathahalli Forest
Bangalore North Taluk.

Ref:- Your letter No.AFD 309 DST 57 dated 20-1-58.

The Conservator of Forests, Bellary circle reports that the area in question of about 57 acres in extent has no tree growth except lantana and Bardarike, that no guard or watcher is posted specially to look after this small area and that the guard attached to the neighbouring Nagarbhavi plantation visits this area also once in a way. He further reports that this small area is surrounded by cultivated fields and its protection would be difficult and also uneconomical if afforested. In the circumstances he recommends ~~the~~ release of this area for cultivation. As the area is very small and is surrounded by cultivated fields it is bound to be encroached upon and reduced piece meal. In the circumstances explained by the Conservator of Forests, Bellary I am now agreeable to reconsider my opinion and recommend that the balance area of 57 acres -2 gts which has not yet been recommended for disafforestation may be ordered to be disafforested and handed over to ~~the~~ Revenue Department for assigning the same for cultivation purpose.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.
